

**2002
CEUT FUNDED GRANTS**

<u>Name:</u>	<u>Department:</u>	<u>Title:</u>
Shannon Jarrott	Human Dev	HD 3114: Intergenerational Programs
Murial Lederman	Biology	Teaching Science Through the Social Studies of Science in BIOL 2104
Mary Moore	English	Development of Self-Authorship Materials and Strategies for English 3534: Literature and Ecology
Tom Burbey & Madeline Schreiber	Geol Sciences	Development of Laboratories for GEOL 4114, Groundwater Hydrology
Harry Dankowicz	Eng Science and Mechanics	Teaching Advanced Modeling of Multi-Body Mechanisms to Non-traditional Engineering Students
Sally N. Johnston	Center for Interdisc Studies	A Faculty Development Series for Teachers in First Year Learning Communities
Eva Marand	Chem Eng	Simulation of Boundary Layer Profiles in Heat and Mass Transfer Using Macromedia Flash
Peggy Quesenberry	Near Environments	Development and Implementation of an Introductory CAD Systems and Fundamentals Course in Clothing and Textiles
Matthew Eick	Crop and Soil Envir. Sciences	Expansion and Modification of Interactive On-Line Tutorials to Enhance Basic Learning of Basic Soils
Cheryl W. Ruggiero & Marc Zaldivar	English	Grammar Gym Enhancement, Phase I
Ann La Berge	CIS-STS	Expansion and Modification of Interactive On-Line Tutorials to Enhance Basic Learning of Basic Soils
Robin Andrews	Biology	Transformation and Modularization of Evolutionary Biology
Carol Burger	Women's Studies	Biology for Women: Course Development
Sally Cornelison	Art & Art History	Islamic Art and Architecture
Melvin Wilson	Teaching & Learning	Secondary Mathematics Teacher Education

Gwendolyn Lloyd	Math	
Catherine Stephens	Math	Lab Materials and On-Line Introductions for Elementary Calculus with Matrices
Margaret McQuain & Deborah Smith	Math	Development of an In-House Resource Book for the Business Calculus
Jeannine Eddleton, Patricia Amateis & Carla Slebodnick	Chemistry	New Laboratory Manual for Introduction of Chemistry
Carrie Earthman	HNFE	Development of a Graduate Case-Based Clinical Nutrition Course
John Crittenden	Eng Fund	Teaching Visualization
James Dubinsky	English	Making Teaching Public: An Initiative for Advancing Teaching Through E-Portfolios
Jenn Leiferman	HNFE	Development/Revision of Courses: Epidemiological Concepts of Health and Disease
Martha McCaughey	Women's Studies	History of Women in the Military
John Boyer	Geography	Development of a New Course: GEOG 200 – Geography of Drink
Laura Parisi	Women's Studies	Women's Leadership
Gary Downey	STS	Extending Engineering Cultures to Asia and Latin America
